**Rosetta Stone Scholarship**

The Rosetta Stone Scholarship is generously funded by Mr. and Mrs. Mike Meagher in memory of their granddaughter.

"Rosetta is a small town in northern Egypt. A piece of stone found there had a story written on it in 3 languages enabling us to decipher the ancient Egyptian hieroglyphs. Our granddaughter was named Rosetta Stone (2001-2004). This scholarship is in memory of her.

The purpose of this scholarship is to encourage a graduating student to get more education/training **in a community college or trade school**. The award is based on good character, involvement in high school, and community organizations, work experience, future plans, financial need, and a high school GPA of 2.4+.

If you receive and accept this scholarship, you also pledge to work hard at understanding each course, and plan to help someone else when you can. ("Pass it Along" Theory)."
